### **DETAILS OF THE INVESTIGATION**

7. On January 2, 2008, Imperial County DEA Special Agent (SA) Barbara Hopkins received a call from a Source of Information (SOI) who stated that sometime within the last week, a relative was at the residence located at 1711 Lenrey, El Centro, California. Upon entering the residence, the relative of the SOI smelled a strong odor. While inside, the relative of the SOI observed a large amount of taped bundles in a bedroom of the residence. These taped bundles were stacked from the floor to almost the ceiling on two walls. This relative of the SOI was told that the packages contained marijuana. The SOI stated that the residence was white or tan in color and has a red front door. The SOI further stated that an individual named Danny Figueroa lived at the residence and believed a total of five males lived there.

8. Special Agent Jeff Butler contacted Task Force Officer (TFO) Robert Sawyer, El Centro Police Department. SA Butler requested TFO Sawyer check the address history through his police department records. TFO Sawyer reported to SA Butler that an individual by the name of Scott Seay had an active warrant (warrant number 0174736, issued on June 14, 2007 for Possession of Narcotics and Failure to Appear, by the Imperial County Superior Court) for his arrest. According to the same information obtained by TFO Sawyer, officers from El Centro Police Department had multiple prior contacts with Seay at the address, 1711 Lenrey, El Centro, California.

9. As a result of the information obtained regarding Seay and his outstanding warrant, at approximately 6:55PM on that same day, DEA agents accompanied by officers from the El Centro Police Department and Imperial County Sheriff's Office went to 1711 Lenrey, El Centro, California to attempt to locate and arrest

Seay. Upon arriving at the residence, agents and officers contacted two residents of the house, Ricardo FIGUEROA (R. FIGUEROA) and Maria CORONA (CORONA) after knocking on the door of 1711 Lenrey, El Centro, California. Officer Ramirez, El Centro Police Department, requested permission to enter the residence to look for an outstanding fugitive with known police contacts at the residence. R. FIGUEROA stated that his brother, Daniel FIGUEROA (D. FIGUEROA) lived at the residence and could give consent to Officer Ramirez to search the house. Officer Ramirez then contacted D. FIGUEROA by cell phone. During the conversation, D. FIGUEROA gave consent to Officer Ramirez to search the residence.

10. Upon searching the residence, agents located approximately 3,833.79 pounds of marijuana in three of the four bedrooms. In the closet of the bedroom that contained personal property of CORONA and another occupant of the house, Horaldo FLORES, agents discovered approximately 25 bundles of marijuana. In the closet of the bedroom that contained personal property of both Christian GUTIERREZ (GUTIERREZ) and Adolfo TORRES (TORRES), agents discovered approximately 25 bundles of marijuana.

11. After discovery of the marijuana, Officer Ramirez contacted D. FIGUEROA again by cell phone. During this conversation, Officer Ramirez told D. FIGUEROA that Officer Ramirez did not find the fugitive and then thanked D. FIGUEROA for his cooperation. R. FIGUEROA told the officers present at 1711 Lenrey, El Centro, California, that his brother, D. FIGUEROA, drove a tan Jeep Cherokee. Shortly there after, SA Butler observed a tan Jeep Cherokee drive slowly by the residence before leaving the area. SA Butler and Task Force Officer Robert Sawyer then saw this same Jeep Cherokee driving southbound on Imperial Ave. Officer Boston, El Centro Police Department, then stopped this Jeep Cherokee for violation of the California motor vehicle code. During the traffic stop, Officer Ramirez called the same cell phone number that he had previously spoken to D. FIGUEROA on. After doing so, a

cell phone began ringing in D. FIGUEROA's pants pocket. D. FIGUEROA admitted his identity and was arrested and later transported to the Imperial County DEA office. That same evening, D. FIGUEROA gave agents consent to remove personal property from the residence. During a post arrest interview of D. FIGUEROA by SA Butler later that evening, D. FIGUEROA told SA Butler that the individuals responsible for transporting the marijuana to the house used rental vehicles

12. In addition to the marijuana located at the residence during the consent search, SA Butler found a traffic ticket issued by the California Highway Patrol in the master bedroom. This ticket was issued to D. FIGUEROA on December 14, 2007, on Interstate 8 west of Plaster City. The ticket listed the driver as D. FIGUEROA of a Toyota Sienna, California license 6AFB298, with the registered owner listed on the ticket of "Budget".

13. On February 25, 2008, SA Hopkins obtained the name of the individual responsible for renting the Toyota Sienna driven by FIGUEROA on December 14, 2007 from Budget as Ruben RAMOS-Ortiz ("RAMOS"), DOB August 3, 1985.

14. On that same date, SA Butler checked RAMOS for connections to other DEA cases and reviewed an arrest report written by SA James Hughes from May 14, 2007, near the Highway 111 US Border Patrol checkpoint of the arrest of Juan Carlos CASTILLO ("CASTILLO") and Miguel MARTINEZ ("MARTINEZ") transporting approximately 118.61 kilograms of marijuana. The vehicle driven by MARTINEZ and CASTILLO was a 2005 Honda Civic, California license 5YML154, registered to RAMOS.

15. At the time of his arrest, MARTINEZ was in possession of two cellular telephones described as:

- a. one black and silver Motorola cellular telephone with photo capabilities; and
- b. one black Motorola cellular telephone with photo capabilities

16. At the time of his arrest, CASTILLO was in possession of two cellular telephones described as:

- a. one blue and black Motorola i860 cellular telephone with photo capabilities; and
- b. one silver Nokia 1110 cellular telephone without photo capabilities

17. These phones were seized by SA James Hughes on May 15, 2007 and then transported to the Imperial County DEA office where they remain.

#### **BASIS FOR EVIDENCE SOUGHT IN SEARCH WARRANTS**

18. I have spoken with numerous individuals who have been involved in the use, sale, manufacture, cultivation, transportation, and illegal distribution of controlled substances and, from doing so, I have learned techniques commonly used by those involved in the distribution, cultivation, manufacturing, packaging, and transportation of controlled substances. I have worked with cooperating sources of information and from them have learned the ways in which narcotic traffickers and clandestine laboratory operators conduct business.

19. Through my training and experience, and in consultation with other agents and informants, I have learned that:

a. Members of drug trafficking and distribution organizations communicate via cellular telephones and store the names and telephone numbers of other people involved in drug trafficking and distribution activities in the memory of the cellular telephones. Individuals involved in drug trafficking often utilize multiple cellular telephones to conduct narcotics trafficking transactions and other illegal activity.

b. Members of drug trafficking and distribution organizations often utilize cellular telephones with photo capabilities to take photographs and videos of other members of drug trafficking and distribution organizations, drugs, money and assets purchased with drug proceeds.

IV

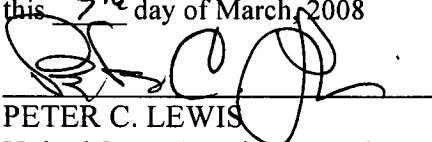

CONCLUSION

20. Based on my training and experience, consultation with other special agents and law enforcement officers, and all of the facts and opinions set forth in this affidavit, I have probable cause to believe that narcotics offenses, including violations of 21 U.S.C. §§ 841(a)(1), 843(b), 846, have been committed and evidence of the crimes will be found in the cellular telephone described in Attachment A. I believe that names, nicknames, and/or telephone numbers of other co-conspirators involved in, and associated with, drug trafficking and distribution, as well as data describing the time, date, and duration of incoming and outgoing calls to the cellular phone.

21. Wherefore, your affiant respectfully requests a warrant be issued authorizing DEA Task Force Officers and Special Agents to examine, analyze, and make record of the contents of the information stored in the seized cellular telephone described in Attachment A.

This Affidavit is based on reports, documents, and notes furnished to Drug Enforcement Administration Special Agent Jeffrey Butler.
